Boxing is one of the Olympic sports that many people like to watch and play. Many people think it is **harmful** and must be stopped. This game is usually played on a special ring surrounded by strong ropes to keep boxers inside. Two boxers get into the ring and wait till they hear the bell, then **they** start boxing each other strongly until one of them wins the match. It usually has fifteen rounds but it can be stopped at any time by the referee. He stops it when one of the boxers is badly hurt or unable to continue the match.

Boxing has its own rules. The two boxers wear certain gloves on their hands and put pieces of the rubber in their mouths to protect their teeth and tongues. The two boxers must be at the same level of weight. There are three weights in boxing; feather weight, fly weight and heavy weight.
