VI- Reading Comprehension (14 Marks)

Read the following passage then answer the questions below:

In the past, people used to live in simple houses. The houses didn't have all facilities that they have today, in particular current water, heating or electricity. People used to heat water to have a bath. They used to use candles or oil-lamps to light their houses and in winter, when the weather was cold, they used to warm their houses by building fires.

About family, people used to have **several** children. Not like families nowadays, a husband and a wife in the past used to have five or more children. Besides, families used to live all together: parents, grand-parents and children. Nowadays, families normally are formed by the parents and one or two children, and grand-parents live in their own home.

Finally, with regard to games, children used to play board games, like chess, instead of computer games. In the past, children didn't use to have as many toys as **they** have today.
