★ Read the following Passage and answer the questions:-

I'm Nancy and I'm excited! Mom and Dad are taking me to my first circus. All my friends at school already have been to a circus but not me. When our teacher Miss Dana asked the class "Where will you be going at the weekend?" My friend Sara said that she'll be going to her swimming lesson. And I said proudly "I'm going to my first circus". It was finally Saturday. And we went to the circus. We watched three big elephants moving in rings. We also watched the clown doing funny things with small balls. the most exciting part when the lion showed up, we were so scared. There were four charming grey horses with riders that were doing some tricks. We took many pictures for them, even some with the funny clowns. I will never forget the fantastic time I had. I can't wait to share the best weekend ever with everyone back to school.

★ Read the following Passage and answer the questions:-

Parrots are very beautiful and smart birds. There are more than 350 kinds of parrots; all of them usually live on islands and rain forests. Most parrots are wild, but people began keeping them because they can learn, and they can use simple tools. Some of them can talk like people. Sometimes, they are called hookbills because they have sharp beaks. They also have two feet; each foot has four toes. They like eating fruits, nuts and meat. people have to be careful when they do something in front of them as they do the same thing. parrots can live about 30 years. This means that having a parrot at home is having a good friend for many years.
