

Unit 8 I like animals

We will learn:

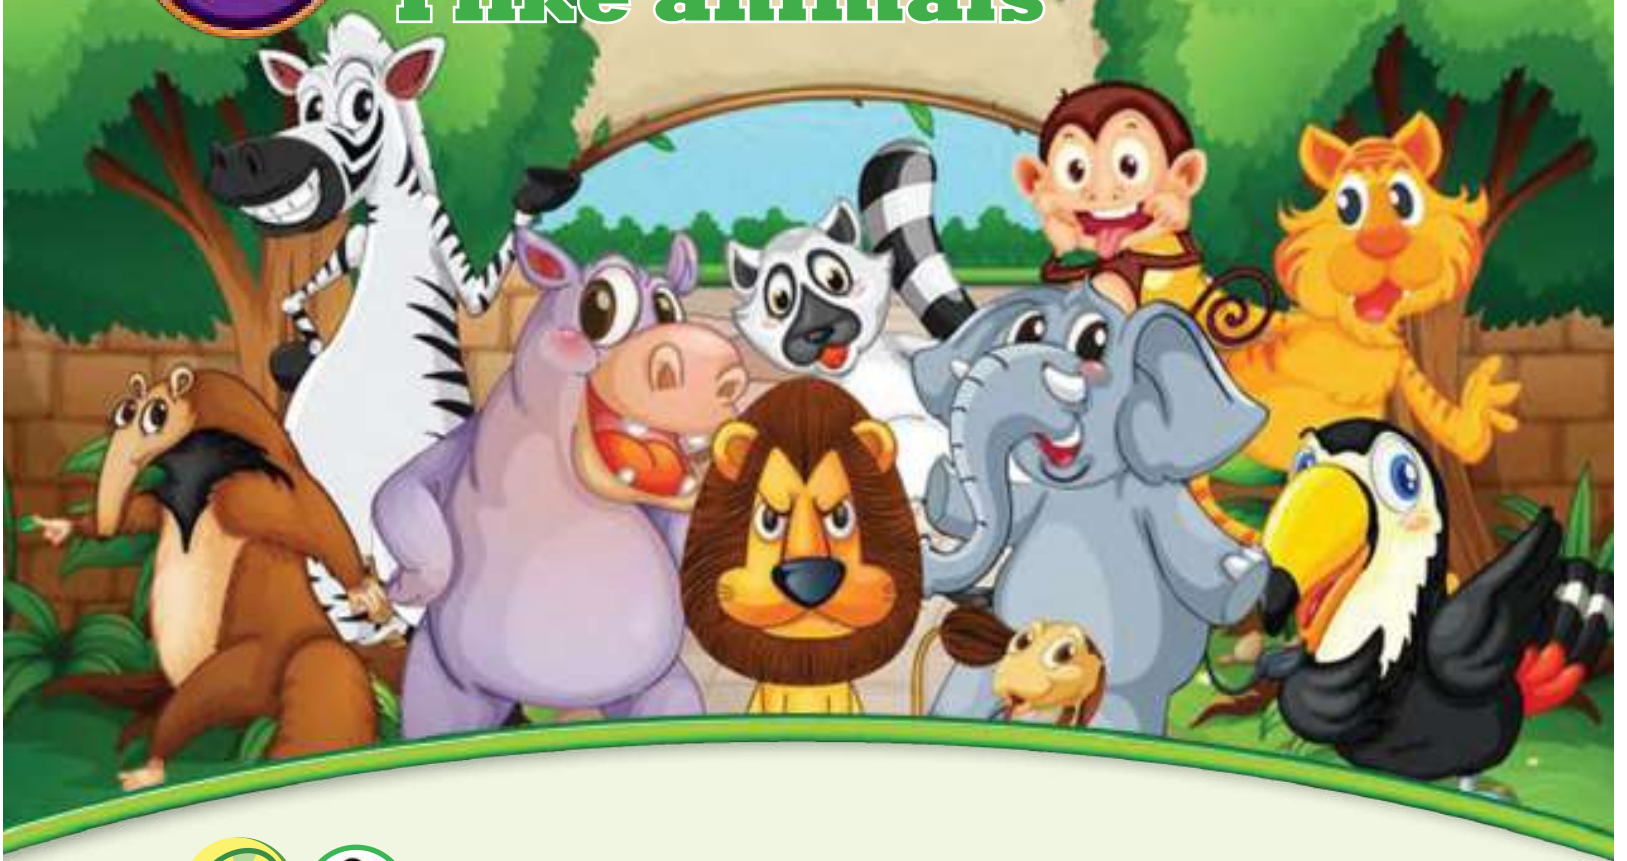

- Asking and answering questions about animals.
- Asking for and giving information.
- Describing animals.
- Describing actions.

Unit

8

I like animals

Listen and read

Going to the zoo can be lots of fun. I can see lots of animals there. I like watching the monkeys climbing the trees, the lions eating meat, tigers sleeping. I like watching the tall giraffes eating leaves from the tree. I can go to the zoo with my family to have fun.
