green

6, 7

Write a paragraph of at least 4 sentences about the Earth with the help of the guide words and the picture below

live - third - planet - around - Sun - save

We live on the Earth. It is a planet. It goes around the sun. We should save it.

Read the following passage

Last night, Mr. and Mrs. Brown stayed home. It was cold and rainy, and they didn't want to go out. Mrs. Brown made some popcorn and iced tea. Mr. and Mrs. Brown went to the living room, sat on the sofa and began watching a movie. They were eating and drinking when suddenly the rain changed into snow. Mrs. Brown was watching the movie when Mr. Brown looked out the window. It was already snowing heavily

when the doorbell rang. It was their daughter. She told them that it was beautiful outside, but the weather looked too dangerous to drive.

Complete the sentences using the correct form of the verbs on the right

1. Mrs. Brown **was watching** the movie when Mr. Brown looked out the window.
2. It **was raining** heavily when the doorbell rang.
3. They were eating when suddenly the rain **changed** into snow.

watch

snow

change
